

FOOD WASTE

Brown bin

Food waste

The **Brown bin** is for all food waste and other biodegradable waste from households. It is very important to put the biodegradable waste into biobags (Maispokinn) before it is disposed into the **Brown bin**.

Example of waste that can be put into the **Brown bin**:

Fruits

Vegetables

Bread

Rice, corn etc.

Coffee grounds and filters

Cheese

Fish

Eggs and eggshells

Tea bags

Meat

Pasta

Potatoes

Flowers

Tissue paper/napkins

Toothpicks
